- Additional snacks are always needed throughout the school year- *(We serve snacks to every child, every day. Many of our students do not eat meals well and most of their intake at school comes from a snack. We realize this is not a mandatory thing, but it makes for much happier, healthier students and gives everyone another chance to practice needed social and independent skills like: opening packages independently, cleaning up after oneself, proper table manners, not over-stuffing mouth, etc.)*
- plastic sheet protectors/document sleeves
- packaging tape
- clear contact paper
- Lysol Spray
- paper towels
- Velcro dots
