|-------------------------------------|--|---|--|---|
| Planning | SIP Schoolwide Strategic Planner (Comprehensive Support/Targeted Support: PAI 1 and 2) | Schoolwide Strategic Planner | Curriculum & | EVSC uses a researchbased instructional design system to create and implement each grade level's curriculum based on Indiana College and Career Readiness Standards. Curriculum is regularly evaluated and modified if needed to ensure effectiveness and that it addresses the learning needs of all students. Curriculum is housed in Google Drive where all faculty may access multiple resources. |
| Tools | Root Cause Tools | Self-Assessment Rubric (Buckets Tool) | Location | Curriculum guides for high schools are available on their websites. These guides include information on the course offerings as well as diploma requirements. High school courses are reviewed yearly and there is a process for adding new courses. EVSC is intentional in ensuring a wide variety of courses to meet the needs of all students. |
| Management & Monitoring Tools | Planning and Monitoring (Short-Term Cycles) Quarterly Progress Monitoring (Medium- & Long-Term Goals) | Project Planner & Monitoring Quarterly Progress Monitoring | Assessments | NWEA - Computer-Adaptive Assessment given to all K-10 students that identifies each student's instructional level and monitors student growth over the school year. Common Formative and Summative Assessments - Teacher created assessments aligned with Indiana Academic Standards for each unit of study on EVSC curriculum maps. |
| Optional Supporting Tools | Culture & Climate 3rd Strategy (Required for Priority: PAI 3) Root Cause Tools | Schoolwide Strategic Planner SIOT Analysis | Social Emotional Learning / Cultural Competency | Teachers utilize information from all students about their cultural heritages and incorporate this knowledge into their classes in sensitive and useful ways that enhance learning for all students. Social-Emotional Learning Professional Development is conducted four times per year for the entire district. |
| SIP Input (stakeholder input) | | | SIP Team Members | |

- While using your previous SIP and relevant data (NWEA, IREAD-3, MySchool Survey, Gallup, Panorama, Big 5 Reports, SET, etc), answer the following questions:

 1. List school's primary strengths and areas of improvement from the previous SY forces or barriers working for or against the School Improvement Plan implementation (SIP).

 2. List school's key opportunities and threats from the previous SY political, economic, social, technological, demographic or legal trends that are or may impact school's ability to achieve SIP implementation.

 3. After completing the SIOT analysis, what are the highest leverage school improvement strategies for the current SY?

 4. Are there any opportunities we can take advantage of because of a strength?

 5. Are there any threats compounded by a weakness?

| | Analysis of Previous SY | |
|--|---|---|
| Strengths | Areas of Improvement | Questions for Reflection |
| -2018 IREAD proficiency score/percentage is much higher that similar school in district -Teachers are ready and willing to learn new skills (four (4) teachers have participated in guided reading cohort), K-2 are all involved in the phonics training offered by EVSC -Tekoppel hosts pre-service teachers throughout the grade levels from University of Evansville and University of Southern Indiana -100% teachers have been trained in using the EVSC SEL curriculum | -Tracking data on NWEA to track performance and growth at the grade levels - Getting kids to see school as a fun place to be -My School Survey - 61.4% students like school -Monitoring cooperative learning (Teachers & Students) My school survey - "I feel included in classroom discussion and group work" *2016-81.4% *2018-78.9% -Data collection on students doing the thinking -Follow through with data collection on evidence of learning -Inconsistently use backward planning and unpacking of the standards -My School Survey (H4) *students/I think that other students care about me* steady decrease from 2018. | Strengths: What are your school's primary strengths? What data supports these strengths? What knowledge, skills and mindsets do you have that can help you with successful implementation of your school improvement plan? What resources do you have available? What is your greatest achievement? Improvements: What are your school's primary areas for improvement? What data supports the need for improvement? What knowledge, skills, and mindsets are you missing? What should you stop/avoid doing? In what areas do you need more training? |
| Opportunities | Threats | Questions for Reflection |
| reading, offer training in guided reading, coach teachers in the VTL process | -Attitudes of some staff - Panorama Teacher Study - 39% feel the attitudes of colleagues is not all positiveTesting (reading level benchmarking, NWEA, IREAD, ILEARN, High Ability) -Class Size with social distancing -Overall Moral - Panorama Teacher Study - 50% feel the working environment at our school is not all positiveNew teachers (lack of: Kagan training, Guided Reading/Small Group, PBIS, implementing EVSCs SEL curriculum/Blitz Days, use of curriculum maps), -Sporadic use of the EVSC district assessments -larger excess rate at beginning of 2020 -Panorama H5 Students/I think learning is interesting, decrease since 2018 | Opportunities: What opportunities are present to impact successful school improvement plan implementation? What is going on around you that seems to be useful? What district resources are available to support your work? What could be done today that isn't being done? Who can support you and how? Threats: What obstacles might impact your school improvement plan implementation? What political, economic, social, technological, demographic or legal trends might impact your school improvement plan implementation? Are there any standards, policies, and/or legislation changing that might negatively impact you? |

| | Title I | Schoolwide Planning Comprehensive Needs Assessment | |
|---|-----------------------|---|--|
| DATA COLLECTION/ANALYSIS | | | |
| Tiered Model of Support (RTI) (SW tiered model to address problem behavior and early intervention) | District: | EVSC implements an RTI model (MTSS) of support for students including instruction, PBIS and social emotional learning. All students have support for Tier instruction, a clear, data driven process for Tier II and Tier III identification (K-8), and reading and math intervention support based on need. All schools implements with culturally responsive best practices. Schools utilize data to identify students who need additional supports and Social Emotional Learning Specialists/coaches are assigned to support students who require Tier II and Tier III supports. In addition, during the 2019-20 school year, K-5 students will Tier I SEL curriculum that is research based. All staff participate in SEL professional development. During the 19-20 school year, all Kindergarten staff will be trained on LETRS, a scientifically based approach to reading instruction. | |
| | School: | All tier 1 students receive at least 90 minutes of instruction per day. All K-2 students are benchmarked with the Fountas and Pinnell Benchmarking system to determine comprehension levels. Instructionalists, Rtl assistants, and homeroom teachers create Rtl groups. Instruction is based on state approved/scientific curriculum. Tier 2 students receive up to 120 minutes of instruction a week and are progress monitored every 4-6 weeks. | |
| PROFESSIONAL PRACTICE | | | |
| Transition (Pre-K and Middle/HS) (Assisted Preschool children in transition to elementary school, students to MS/HS) | District: | For any students attending EVSC pre-K programs, Kindergarten teachers will have access to GOLD assessment reports for individual children. The Focusor of Early Learning Initiatives regularly collaborates with appropriate Headstart leadership to encourage on-going transition of students from Headstart to Kindergarter Parent information and support is readily available for parents of students entering Kindergarten through multiple sources including District website, social media, schools and community agencies. | |
| | School: | The kindergarten PLC will contact area head starts and Pre-K programs to create/share a "school ready" checklist to share with families. Furthermore, kindergarten teachers will reach out to local pre-school services to invite them to kindergarten orientation activities. The Leadership Team will contact feeder middle schools to create/share a "school ready" checklist to share with families at the middle school visitation. | |
| PERSONNEL POLICY AND PROCEDURE | | | |
| Data coaches / PLCs (PD opportunities to staff to improve instruction using assessment data) | District: | Each Title I school has an assigned data coach who supports data curation, data presentation and analysis, freeing teachers from these tasks. Data coaches wo to build data fluency and skill in using data to inform instruction in teachers. Teachers have embedded, protected time during the day to meet regularly in Professional Learning Communities. A primary objective of the PLCs is to review assessment data and plan for and adjust instruction to move all students to mastery of CCR standards. | |
| | School: | In addition to the above statement, Tekoppel uses their instructionalist/mentor teacher to work with teachers to create assessments in Edulastic. This format allows for students to experience online testing while providing teachers real time feedback on material covered. | |
| Recruitment and Retention (Aided in recruitment and retention of effective teachers - high needs subjects) | District: | HR department and Office of Academic Affairs host a minumum of 2 recruitment events yearly to provide the opportunity for building administrators to screen potential candidates. Teachers in priority status schools (includes all Title I schools) receive additional compensation based on teaching in a high needs school. | |
| | HQ staff list here | | |
| SW plan monitored and revisited (DSS and Leadership team, Performance management) | District: | Focusors of School Support meet with building administrators and leadership team at least 2 times per month to monitor the SIP implementation and results, adjust action planning and short term monitoring based on data. The Superintendent and district executive leadership team meet two times per year with school administrative teams to review data, SIP goals, strategies and action plans and to determine ways to support school level implementation of SIPs. | |
| | School: | Princiopal, leadership team, district academic coach, and DSS all monitor and offer course suggestions on Tekoppel's SIP. | |
| FAMILY AND COMMUNITY ENGAGEMENT | T | | |
| SWP Development (SWP is developed with involvement of parents and other community members) | School: | Parents will have the opportunity to engage in the Parent Involvement Survey given in 9/2019. This data will be used to make goals for communicating with families, ideas for parenting classes, and opportunities to rank family events in terms of what is relevant to them. | |
| Availability (Available to LEA, parents and the public) | District: | A PDF of the school SIP is posted on the school website for access to parents and the public in the fall after submission to IDOE. The SIP document is a living google doc and district staff have access or can be easily supplied access if needed. | |

| COORDINATION | | | | |
| Coordination of Programs (Developed in coordination with other programs, services and resources) | District: | SIPs are developed in coordination with the district Continuous Improvement Plan as an overarching document which coordinates across mulitple programs, including social emotional supports. Focusors of School Support access other programs and services as needed to support individual school needs. | | |
| | School: | Families will be supported with intentional communication and awareness of opportunities to be engaged in their child's education. | | |
| Addressing High-Risk Needs (Mental health, instructional support/mentoring, non academic skill improvement) | District: | EVSC implements an RTI model (MTSS) of support for students including instruction, PBIS and social emotional learning. All students have support for Tier I core instruction, a clear, data driven process for Tier II and Tier III identification (K-8), and reading and math intervention support based on need. All schools implement PBIS with culturally responsive best practices. Schools utilize data to identify students who need additional supports and Social Emotional Learning Specialists/coaches are assigned to support students who require Tier II supports. In addition, during the 2019-20 school year, K-5 students will have Tier I SEL curriculum that is research based. All staff participate in SEL professional development. During the 19-20 school year, all Kindergarten staff will be trained on LETRS, a scientifically based approach to reading instruction. | | |
| | School: | Tekoppel's counselor will work to build relationships with DCS along with local health professionals to assist students in their academic and personal needs. During the 19-20 school year, K-5 classes will provide SEL training for students 20 minutes per school day. | | |
| Coordination of Funds (Describe how Title I funds will be coordinated with local,state and federal programs) | District: | The Deputy Superintendent of Teaching and Learning coordinates use of funds based on the Continuous Improvement Plan needs assessment priorities, school based needs assessments and input from Focusors of School Support. Title II funds are utilized to offer district coaching support and leadership development to address needs of Title I schools. Title IV funds are utilized to offer additional supports for social emotional learning for most in need Title I schools. | | |

- [2] Checkpoint metrics should align to these data sources to allow for frequent progress monitoring.
- [3] What will we look during in consistent, short-term cycles to know our strategy is working?

Reflection: Be sure to consider alignment and intentionality.

Is the determined metric aligned to the baseline, root findings, strategy, goal, and ultimate outcome?

Is it realistic?

Do you need any support from district office to align systems necessary to ensure this measure is continuously easy to access on short cycles?

[5] How much do you expect your short-term baseline do grow by the end of your first designated improvement planning cycle? Think in shorter intervals of time than "by the end of the year."

It may make sense for your school to align your cycles to when you will have benchmark data.

Example:

- 4.1 of 5 by 10/22/2014 Presenting Instructional Content Indicator (School Walkthroughs)
